**Time Workshop**

**12 noon** **Living A Life of Divine Collaboration** KATYE ANNA - KATYEANNA SOULWORKS  
 During this workshop, I will discuss how angels, guides, our souls, our loved ones who have birthed into spirit and ascended masters seek to help us each and every day. Most people believe in angels and beings of light but don't invite them to REALLY be a part of the journey. This will be an interactive workshop with platform readings given as time will allow. Anna: "Divine collaboration and the spirit of cooperation among every tribe of the nation as well as the world of spirit will bring about the peace many seek to experience on earth." - Excerpt from *The Three Spiritual Keys*.

**1:00 pm** **Get out of Pain NOW!** HEIDI KORSCH - ENERGY INTEGRATOR, LIFE BALANCE WITH HEIDI LLC  
 Get out of Pain NOW! Are you tired of struggling with Pain? Shoulder, Back, Joint Pain, Anxiety or Stress? Or does Chronic Pain drain you? Join Heidi at her workshop where she will explain how we create our energy blockages that can lead to illness. It's time to return to a balanced, useful, mind, body and spirit.

**2:00 pm** **Sidhe Rings - The Power of Connection** MARCIA COLVER REICHERT - VOCAL PRACTITIONER  
 Sidhe (pronounced "Shee") Rings bring the ancient magic back into an individual's body, mind and soul through the power of group consciousness. The premise is based on recent scientific discoveries proving that when humans gather in small groups and concentrate on one specific topic, miracles might just happen!

**3:00 pm** **Discovering Essential Oils** CYNTHIA WEATHERBIE, RMT AND ESSENTIAL OILS EDUCATOR  
 During this interactive presentation, you will explore what essential oils are, how to safely use them, and what to look for when choosing essential oils to support your physical, emotional and spiritual wellness, as well as experience some of the most popular oils firsthand.
