Time Workshop

Noon **Living in Balance**

LILLIAN PEDERSON - RADIANT LOTUS CENTER

It is easy to get caught up in everything going on around us. If you want to thrive, it is important to discern what is important, and include those things in your life. Prioritize. Have healthy boundaries. Choose what empowers you. And then live from this place.

1:00 **Rootwork For Self-Transformation**

IKEOMA DIVINE - THIRD EYE LOUNGE

Rootwork in the American South originated out of the struggle to maintain a relationship rooted in ancestral guidance and reverence. These rituals of resistance were not only used for protection, but also for healing. In this workshop, we will explore techniques and rituals used for health.

2:00 **Animal Communication and messages from the Wild Kingdom**

ROBIN EATMAN - PSYCHIC MEDIUM

We will talk about animals and the huge impact they have in our lives as Teachers, Protectors and Companions. Animals have messages for us. Learn some steps for you to be able to listen to your own animals!

3:00 **Warrior Goddess Foundations Introductory Workshop**

ISABELLA ROSE - BELLA ROSE HEALING HANDS

You are whole. You are powerful. You are Divine. When you read these words do you feel their Truth ringing in your bones? Imagine giving yourself the freedom to be you, 100%, and to love and accept all of you!

4:00 **Hello, Subconscious**

SONDRA LAMBERT

What is possible when you partner with the part of you who knows you best - your subconscious? It is my intention to share my heart-filled abilities for your highest and greatest good.
